Non-Iranian Students Residing in Iran and other Countries

Mokran Coasts International Scholarship (International University of Chabahar)

In line with executing its support policies and pursuant to the Bylaws of the Iranian Ministry of Science, Research and Technology (MSRT), International University of Chabahar (hereinafter referred to as "the University") offers scholarships (covering tuition fees and/or welfare costs) and grants to applicants for studying at the University. The applicants can visit the website of International University of Chabahar ([WWW.iuc.ac.ir](http://WWW.iuc.ac.ir)) for checking the admission requirements and uploading their application documents.

### **Scholarship Objectives:**

1. Enhancing scientific and research cooperation in the form of joint thesis writing supervision
2. Using sabbaticals and participating in specialized training courses
3. Promoting international interactions

### **Areas Covered by Mokran Coasts International Scholarship:**

1. Technical and Engineering

## Mokran Coasts International Scholarship

2. Arts and Humanities
3. Social Sciences
4. Arts and Architecture

### Different Types of Mokran Coasts International Scholarship in the Academic Year 2021-2022:

- **Full Scholarship:** This type of scholarship shall be awarded to the top students of each program based on each country's quota and each program's admission capacity, whose individual terms and conditions have been mentioned in Appendix 1. **Students receiving this type of scholarship shall be exempt from paying tuition fees (except the tuition fees of Persian Language Teaching Center), dormitory expenses and healthcare insurance costs. Research (thesis) expenses and the costs of other welfare services shall be borne by the students themselves.**
- **Academic Scholarship:** This type of scholarship shall be awarded to the applicants meeting the individual terms and conditions contained in Appendix 2 based on each country's quota and each program's admission capacity. **Students receiving this type of scholarship shall be exempt from paying tuition fees (except the tuition fees of Persian Language Teaching Center); however, their welfare costs (including dormitory expenses and healthcare insurance costs) shall be borne by the students themselves.**

### Different Types of Mokran Coasts International Grant in the Academic Year 2021-2022:

Grants cover only some of the educational costs and their amounts are not usually that high. International University of Chabahar awards special grants to students meeting certain requirements. These grants are as follows:

- **Gift Grant:** This grant, being of two types mentioned below, shall be awarded to the applicants meeting the requirements specified in Appendix 3 based on each country's quota and each program's admission capacity.
  - A) **Immediate Family Member (Sister, Brother, Spouse) Grant:** Upon examining the relevant documents, where it is determined that two of the applicants are from the same family, each one shall be awarded a grant through which **they shall be exempted from paying 50% of tuition fees (except the tuition fees of Persian Language Teaching Center), dormitory expenses and healthcare insurance costs, provided that they meet the general requirements for receiving grants. Research (thesis) expenses and the costs of other welfare services shall be borne by the students themselves.**
  - B) **Friend Grant:** If the applicant introduces a third party from their country of origin for studying at International University of Chabahar and the introduced person does meet the requirements of studying at the University, both the introducing party and the introduced party, each one, shall be awarded a grant through which **they shall be exempted from paying 15% of tuition fees (except the tuition fees of Persian Language Teaching Center), dormitory expenses and healthcare insurance costs. Research (thesis) expenses and the costs of other welfare services shall be borne by the students themselves.**
- **Special Skill Grant:**

This grant shall be awarded to the applicants being expert in an athletic, artistic, etc. field based on each country's quota and each program's admission capacity. The applicants recognized qualified for this grant (as per the individual terms and conditions contained in

# Mokran Coasts International Scholarship

Appendix 4) shall be exempted only from paying 20% of tuition fees (except the tuition fees of Persian Language Teaching Center).

## Scholarship Award Priorities:

1. Applicants introduced by foreign universities within the framework of Exchange Student agreements concluded between the foreign university and International University of Chabahar
2. Applicants from Persian-speaking countries
3. Applicants from Mokran Coasts neighboring countries
4. Applicants from eastern neighboring countries
5. Iranian applicants residing in other countries

## General Admission Requirements:

1. Not being a national of the Islamic Republic of Iran;
2. Not having any legal barriers for studying and/or residing in Iran;
3. Enjoying mental health;
4. Having educational degrees being equivalent to one of the following degrees in Iran: High school diploma + pre-university degree (12 years of official education), bachelor's degree, and master's degree for entering associate, bachelor's, and master's programs, respectively;
5. Commitment to compliance with the University's academic, instructional, and disciplinary rules and regulations;
6. Non-Iranian students shall be required to reside in accommodations determined by the University; and
7. **Mastery of the Persian language (listening, speaking, reading, and writing).**

## Registration and Required Documents:

Applicants meeting the requirements mentioned in the present Admission Guidelines need to submit their application via the Electronic Admission System for Non-Iranian Students of the Organization of Student Affairs at <http://saorg.ir:8081/>. The applicants shall be required to prepare the scanned copies of the following documents so that they will upload them at the time of submitting their admission application.

1. Latest educational degree;
2. Transcript of records;
3. Passport or valid residency permit;
4. Letters of recommendation from two teachers of the latest level of education (for applicant of master's programs);
5. A medical certificate attesting the applicant's physical and mental health having been confirmed by the Islamic Republic of Iran's consulate or embassy in the applicant's country of origin;
6. One new 3 × 4 personnel photo; and
7. A bank receipt showing that application processing fees, as per the following table, has been deposited to the University's account:

Level of education	Amount in Iranian Rials
<b>Bachelor's</b>	<b>1.000.000</b>
<b>Master's</b>	<b>2.000.000</b>

# Mokran Coasts International Scholarship

**Note 6:** Those non-Iranian applicants of bachelor's programs who have earned their high school diplomas from Iranian high schools shall be required to provide their high school and pre-university documents.

**Note 7:** The translated educational documents of the applicants who are graduates of non-Iranian educational institutes need to have been confirmed by the Islamic Republic of Iran's consulate or embassy in the applicant's country of origin.

## Mokran Coasts International Scholarship

### Tuition and Welfare Fees for Non-Iranian Students of International University of Chabahar in the Academic Year 2021-2022

1. Tuition fees shall be charged in Iranian Rial. Tuition and welfare fees must be deposited to the following account:
  - Account No. **0115369815002**; **Bank Saderat Iran**; Account Name: **International University of Chabahar**.
2. The amount of fees for non-Iranian students shall be determined after the rates proposed by the Admission Council have been approved by the University's Board of Trustees.
3. Non-Iranian students' tuition fees are of two types: fixed and variable.
4. **Fixed tuitions fees of Persian Language Teaching Center**

Those admitted applicants being graduates of non-Iranian educational institutes shall be bound to pass Persian language courses; and they must pay tuition fees for each Persian language course as per the following table, which has been approved by the University's Board of Trustees:

Item	Title	Tuition Fees (in Iranian Rials)
1	Fixed tuition fee (16-week semester)	10.800.000
2	Tuition fee for each theoretical unit	1.215.000
3	Variable tuition fee (20 units)	24.300.000
4	Proficiency test (placement test)	8.100.000
5	Academic services (issuance of student's ID card, transcript of records, and certificate of completion of studies)	540.000

**Note 2:** If non-Iranian applicants being required to pass Persian language courses take proficiency (placement) tests, they must pay the relevant fees.

5. **The University's Welfare Frees:**

If non-Iranian applicants use the University's welfare services, they must pay the relevant fees **on a monthly basis** according to the following table:

Welfare Services	Fees	
Dormitory	Single (one room in a three-bedroom suite)	5.200.000 Iranian Rials
	Married (a three-bedroom suite with basic facilities)	18.200.000 Iranian Rials
Healthcare insurance	Healthcare insurance fees shall be calculated and charged annually based on the rates announced by the Iranian Insurance Organization.	
Meals (breakfast, lunch, dinner)	15.000.000 Iranian Rials	

## Mokran Coasts International Scholarship

**Note 3:** The welfare fees mentioned in the above table must be deposited to the following account:

- Account No. **0115369815002**; **Bank Saderat Iran**; Account Name: **International University of Chabahar**.

### 7. Tuition Fees in each Semester by Program and Level of Education:

Non-Iranian students shall be required to pay tuition fees approved by the University's Board of Trustees as mentioned in the following table for each program and level of education:

#### Fixed and Variable Tuition Fees for Non-Continuous Master's Programs in The Academic Year 2021-2022

Department	Fixed tuition fee (Iranian Rials)	Variable tuition fee (Iranian Rials)	Thesis	
			Theoretical	Laboratory
Humanities	22,519,096	3914831	11259270	14074088
Technical and Engineering	25306256	4532963	11259270	14074088

#### Fixed and Variable Tuition Fees for Continuous Master's Programs in The Academic Year 2021-2022

Department	Fixed tuition fee (Iranian Rials)	General variable tuition fee (Iranian Rials)	Basic variable tuition fee per theoretical unit (Iranian Rials)	Main variable tuition fee per specialized theoretical unit (Iranian Rials)	Tuition fees for lab/workshop courses	Project tuitions fees (if applicable)
Humanities	11782546	634838	906221	950864	770344	2265785
Technical and Engineering	14954414	634838	906221	1087763	770344	2265785

**Note 4:** The aforementioned amounts of tuition fees shall be valid for the academic year 2021-2022 (except for the fixed tuition fees, which shall be unchangeable up to the end of the program.) For the following years, any increase in variable tuition fees and tuition fees of thesis, lab/workshop courses, and project shall be calculated as per the latest decision made by the University's Board of Trustees.

## Mokran Coasts International Scholarship

8. If a student drops out or an applicant fails to attend the University after registration, any amount having been paid by them shall by no means be refundable or transferable.
9. If the Iranian Ministry of Science, Research and Technology (MSRT) does not give the admitted applicants a study permit, any amount having been paid by them shall be refundable.
10. The fixed tuition fees for the remaining semesters of those non-Iranian students having been admitted based on the University's Admission Guidelines in previous years shall be calculated according to their year of admission; and their variable tuition fees shall be calculated based on the rates approved by the University's Board of Trustees.
